ALLEGED PLOT TO ASSASSINATE RICARDO ALARCON QUESADA, CUBAN AMBASSADOR TO THE UNITED NATIONS, PEO

Reference is made to previous FBI communications in this matter.

OSCAR ENRIQUE ENRICH-REYES, ALSO KNOWN AS (AKA) "KIKE" AND "QUIQUE", WAS INTERVIEWED ON JULY 30, 1976, AT HIS RESIDENCE 416 - 21ST STREET, UNION CITY, NEW JERSEY. OSCAR ENRICH HAS IMMIGRATION AND NATURALIZATION SERVICE (INS) NUMBER A20162648. HE ENTERED THE UNITED STATES AT MAIMI, FLORIDA ON JANUARY 24, 1973 AND ON THAT DATE WAS GRANTED INDEFINITE DEPARTURE. ENRICH WAS BORN ON NOVEMBER 8, 1918, MAYARI, ORIENTE, CUBA AND HAS SOCIAL SECURITY ACCOUNT NUMBER (SSAN) 152-54-1318. UPON ARRIVAL IN MIAMI, ENRICH SPENT FIVE DAYS THERE AND THEN MOVED TO UNION CITY, NEW JERSEY AND BEGAN EMPLOYMENT ON FEBRUARY 25, 1973 AT AN APARTMENT BUILDING IN THE BRONX, NEW YORK, WHERE HE WORKED FOR 21 WEEKS AND THEN WENT TO WORK AT THE RIVER HOUSE, 1175 YORK AVENUE, NEW YORK CITY, NEW YORK. IN CUBA ENRICH WAS A

COST ACCOUNTANT FOR EMPRESA TRANSPORTE DE CARGA POR COMMUNES IN HAVANNA, CUBA. HE HELD THIS POSITION FROM JANUARY, 1961 THROUGH JULY, 1968 AT WHICH TIME HE REFUSED TO JOIN THE REVOLUTIONARY PARTY IN CUBA AND WAS THEN SENT TO WORK IN A TOBACCO FACTORY WHERE HE WAS EMPLOYED FROM JULY, 1968 UNTIL JANUARY 23, 1973.

[redacted]

b6
b7C
b7E

ENRICH ADVISED THAT HE HAS NEVER BEEN CONNECTED WITH ANY CUBAN REVOLUTIONARY GROUP OR ANTI-CASTRO ORGANIZATION SINCE HE CAME TO THE UNITED STATES. HE STATED THAT HE HAS NEVER BEEN ASSOCIATED WITH ANYONE CONNECTED WITH THE CUBAN NATIONALIST MOVEMENT (CNM) AND HAS NEVER BEEN ASKED BY ANYONE TO FURNISH ANY INFORMATION REGARDING THE ACTIVITIES OF CUBAN AMBASSADOR RICARDO ALARCON QUESADA, WHO RESIDES IN APARTMENT 6D AT 1175 YORK AVENUE, NEW YORK CITY, NEW YORK. ENRICH ADVISED FURTHER THAT ANY KIDNAPPING OR ATTEMPTED ASSASSINATION OF ALARCON BY A CUBAN REVOLUTIONARY GROUP WOULD IN NO WAY EFFECT ANY CHANGE IN THE POLITICAL SITUATION INSIDE CUBA OR WOULD IT SECURE THE RELEASE OF ANY CUBAN PRISONERS HELD IN CUBA. ENRICH ADVISED THAT

HE WAS NEVER INVOLVED IN CUBAN POLITICS IN CUBA AND CERTAINLY WOULD NEVER GET INVOLVED IN THE UNITED STATES AS HE IS MOST APPRECIATIVE OF THE OPPORTUNITY GIVEN HIM BY THE UNITED STATES TO LIVE HERE.

ENRICH STATED THAT RICARDO ALARCON DOES NOT CONTACT OR SPEAK TO ANY OF THE CUBAN EMPLOYEES AT 1175 YORK AVENUE, NEW YORK CITY, AND THEY IN TURN DO NOT GO OUT OF THEIR WAY TO SPEAK TO ALARCON. ENRICH STATED THAT HE HAD A DISTASTEFUL EXPERIENCE WITH [redacted] b6 b7C b7E

[redacted] ENRICH ALSO ADVISED THAT THEY HAVE SIX CUBAN REFUGEES WORKING IN THIS APARTMENT BUILDING AND IF ANY OF THEM WERE INTERESTED IN KILLING ALARCON THEY COULD DO IT WITH NO DIFFICULTY, BUT THE PEOPLE EMPLOYED THERE ARE IN NO WAY INCLINED TO THIS TYPE OF ACTION AS THEY KNOW THAT SUCH ACTION WILL IN NO WAY CHANGE THE SITUATION IN CUBA.

~~NEWARK WILL MAINTAIN CONTACT WITH ESTABLISHED SOURCES FOR ANY ADDITIONAL INFORMATION REGARDING INSTANT MATTER AND WILL KEEP BUREAU AND INTERESTED OFFICES ADVISED.~~

Source information received to date indicates a possible desire and capacity by anti-Cuban terrorist groups to target Cuban diplomats and their diplomatic establishments for disruptive and/or violent action. Regarding captioned allegation, however, this investigation has failed to substantiate that this desire has been formulated into an existing plan on ALARCON's life at this time.

In view of the above and in the absence of information indicating that ENRICH (QUI QUE) associates with or sympathizes with anti-Cuban terrorist groups, this case is being administratively closed at this time. NY, as well as the Bureau and receiving offices, is aware of the potential for violence by the Cuban Nationalist Movement and other anti-CASTRO groups in the US. Through its ongoing investigation of these groups and other Cuban exiles, NY will remain alert to any further information developed regarding captioned matter.

Recipient offices, as expressed in their respective referenced communications, are requested to do the same.

Captioned matter was placed in closed status at New York on 11/23/76, for reasons set forth in re New York letter. No specific leads existed in subject allegation at this time, however, it was recommended that receiving offices be alert, through source contacts and ongoing Cuban investigations, for any new information concerning plots on ALARCON's life.

As the Bureau and Miami are aware, there have been several source disclosures in the past evidencing a desire by anti-CASTRO groups to target ALARCON for assassination, and although no overt attempts have been detected to date, the propensity for this action remains high. Under these circumstances it would be reasonable to assume the possibility of further such disclosures.

[redacted]

Regarding the handling of the above, the NYO feels that if information and/or an allegation is received indicating a specific threat exists on ALARCON's life, individual investigative files should be opened on each. Investigations of such matters, [redacted] require AUSA presentation for his prosecutive opinion. New York feels that each set of existing facts, when lacking a common denominator with previous facts, should be handled on a separate basis for purposes of administrative and prosecutive action, under a criminal classificat[redacted]

Dear [redacted]

Congratulations; I see that you and [redacted] got off the hook easy after the recent FALN bombings and the taking of the Statue of Liberty in New York City.

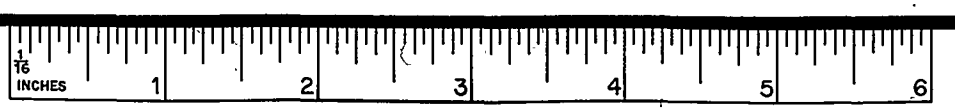
You should be glad to be living in a Country where the criminal's civil rights are protected and where the authorities are afraid to hand out stiff sentences in fear of reprisals from civil rights leaders and lawyers. Can you imagine what would have happened if you had placed those bombs in Cuba. I am sure the sentence would have been carried out right there in your apartment.

That is the only good thing about communists, they don't fool around with criminals or pamper them. Once caught in the act, thats it. No lawyers, no jury, no trial, period.

We have decided to use this method (communist) in dealing with the FALN and the PSP(Puertorican Socialist Party) in Puerto Rico.

Permit me to introduce myself. I am the leader of a new group organized to take up arms against the movement for independence for Puerto Rico. We are going to use some of your tactics, but a little different.

We are not going to bomb public places as this is a cowardly act. Instead, what we are going to do is place bombs in the apartments and homes of FALN and PSP members, both here and in Puerto Rico. Starting on December 1, 1977, for each bomb placed by the FALN or the PSP in a public place, we are going to place two (2) bombs in the residence of one of the members of these groups.



POLICE LABORATORY
DOCUMENT SECTION
235 East 20th Street
New York, N. Y. 10003

If the bombs are placed in the U.S., we will attack the FALN. If they are placed in Puerto Rico, we will attack the PSP. If innocent relatives are injured or killed, we are sorry, but that is the price of war.

We have in our possession a list of all members of the FALN and the PSP. We know who they are, where they live, where they work, what they do and where they "hang out". I think we know more about them than they do.

We could of course pass this information to the authorities and let them handle this but with our soft hearted judges and smart lawyers, we know what the results will be. It is for this why we have decided to organize and handle this matter ourselves.

Our organization is made up of veterans of the U.S. Armed Forces, all specialist in explosives, demolition, Fire Arms and hand to hand combat. You will soon discover how well organized we are. All our members are Puerto Ricans who do not believe in letting Cubans do our fighting for us. As is your case.

In case you are wondering, we are not training in the U.S. and have nothing to do with the CIA or the FBI or any other government agency. This is strictly a Puerto Rican problem which has to be solved by Puerto Ricans and not by Cubans claiming to be Puerto Ricans as is the case of most of your members.

Our list of targets is very long and stretches all the way from California to Mayaguez, Puerto Rico and two very particular spots in Mexico and Chicago. Dear [redacted]

Congratulations; I see that you and [redacted] got off the hook easy after the recent FALN BOMBINGS and the taking of the Statue of Liberty in New York City.

You should be glad to be living in a Country where the criminal's civil rights are protected and where the authorities are afraid to hand out stiff sentences in fear of reprisals from civil rights leaders and lawyers. Can you imagine what would have happened if you had placed those bombs in Cuba. I am sure the sentence would have been carried out right there in your apartment.

That is the only good thing about communists, they don't fool around with criminals or pamper them. Once caught in the act, thats it. No lawyers, no jury, no trial, period.

We have decided to use this method (communist) in dealing with the FALN and the PSP(Puertorican Socialist Party) in Puerto Rico.

Permit me to introduce myself. I am the leader of a new group organized to take up arms against the movement for independence for Puerto Rico. We are going to use some of your tactics, but a little different.

If the bombs are placed in the U.S., we will attack the FALN. If they are placed in Puerto Rico, we will attack the PSP. If innocent relatives are injured or killed, we are sorry, but that is the price of war.

We have in our possession a list of all members of the FALN and the PSP. We know who they are, where they live, where they work, what they do and where they "hang out". I think we know more about them than they do.

We could of course pass this information to the authorities and let them handle this but with our soft hearted judges and smart lawyers, we know what the results will be. It is for this why we have decided to organize and handle this matter ourselves.

Our organization is made up of veterans of the U.S. Armed Forces, all specialist in explosives, demolition, Fire Arms and hand to hand combat. You will soon discover how well organized we are. All our members are Puerto Ricans who do not believe in letting Cubans do our fighting for us. As is your case.

In case you are wondering, we are not training in the U.S. and have nothing to do with the CIA or the FBI or any other government agency. This is strictly a Puerto Rican problem which has to be solved by Puerto Ricans and not by Cubans claiming to be Puerto Ricans as is the case of most of your members.

Our list of targets is very long and stretches all the way from California to Mayaguez, Puerto Rico and two very particular spots in Mexico and Chicago. Heading the list are the leaders of the FALN, including you and [redacted] In Puerto Rico, [redacted] and [redacted] head the list, followed closely by several members of the P.R. Bar Association starting with [redacted]

Cuban Ambassador, Mr. Ricardo Alarcon de Quesada of the U.N. is also on top of the list together with his aides there.
